

## Small Light-Box / Desk lamp

[www.atelierthierrydreyfus.fr](http://www.atelierthierrydreyfus.fr)

*“Carrying” light with you, holding light of words, in a small rectangular wooden box... At the same time, this light contains also the word LIGHT in French... Once this poetic Element of Light is plugged in and open, we discover in there, either silver mirrored inside with a cold white neon light, either golden mirrors with a red neon light.*

*Made in France in collaboration with an Turkish artisan*
